OVERNIGHT REPORTS

(The items in the Overnight Reports section have not been coordinated within the intelligence community. They are prepared overnight by the Office of Current Operations with analyst comment where possible from the production offices of NFAC.)

Uganda-Tanzania

25X1 The anticipated return to Uganda yesterday of the provisional government headed by exile leader Yusuf Lule was delayed by bad weather but is expected today. Lule and his ministers announced that they had held a cabinet meeting in Dar es Salaam. Tanzania officially recognized the new Ugandan Government yesterday, and its close allies Zambia and Mozambique have followed suit. Press reports indicate that the situation inside Uganda is still confused and Idi Amin's whereabouts are unknown. A spokesman for the provisional government used the Ugandan radio to call for a nationwide manhunt for Amin and to demand the surrender within 12 hours of all Ugandan troops.

USSR - Middle East

25X1 Soviet UN Permanent Representative Troyanovsky told US UN Mission officers yesterday that he wanted to be certain that there was no misunderstanding about the Soviet attitude toward a UN force in the Sinai in connection with the Egyptian-Israeli treaty. He confirmed that the USSR would veto any such force and would vote against any resolution that would extend the UN Expeditionary Force's mandate beyond its expiration date of 24 April.

Rhodesia-Zambia

The US Embassy in Lusaka reports that early this morning Rhodesian commandos hit at least three targets in downtown Lusaka. Damaged in the raid were the house of ZAPU leader Joshua Nkomo, who was not home at the time, and offices of the Zimbabwe Liberation Center. Based on the extensive small arms and mortar fire, the Embassy estimates that damages and perhaps casualties were heavy. [REDACTED]
